

With its unique Moisture Lock system the Elim MediHeel Foot Perfector contains a range of Vitamins and Oils to nourish and protect the feet. Shea butter, Urea and Honey was added for super hydration while Collagen plumps up fine wrinkles on the feet and improves the general appearance of the feet. Contains Vit E and Pro Vitamin B5.

WHAT MAKES ME DIFFERENT?

Normal heel balms stay oily after application but the Elim MediHeel Foot Perfector with its unique gel powder technology ensures a slip free non-oily experience after application.

HOW DO YOU APPLY ME?

Use as a massage medium to nourish and hydrate the feet. Apply to feet and lower legs massaging in circular motions. Allow to dry before wearing shoes.

WHAT ARE MY ACTIVES AND BENEFITS?

- Vitamins and Almond Oils to nourish and feed the feet.
• Shea Butter for hydration.
• Isopropyl Myristate is an extra absorption mechanism that ensures every ingredient is absorbed in to the skin.
• Vitamin E.
• Collagen to plump skin and improve its appearance.
• Pro Vitamin B5.
• Honeyquat an excellent humectant.
• Propylene Glycol acts as a water lock system.
• Urea was included for hydration.
• Dimethicone prevents an oily residue on the feet after the pedicure.
