

A high performance body oil with 100% pure plant extracts including Ginger and Cinnamon— helps to tighten the skin and improve its appearance.

The Oil contains Vit E to lock in moisture and Coconut Oil, a natural antibacterial, anti fungal and skin moisturizer.

WHAT MAKES ME DIFFERENT?

Aroma rich natural botanicals promote and overall feeling of well-being. Infused with only the highest grade Ginger and Cinnamon. This Product is made with Natural Ingredients, NO Parabens, Mineral Oils or Micro Particles or Preservatives are used in Elim Natura Massage Oils.

HOW DO YOU APPLY ME?

Apply desired amount of oil to the body as needed. Massage into skin until fully absorbed.

WHAT ARE MY ACTIVES AND BENEFITS?

- **Ginger** - In addition to its detoxifying and invigorating qualities, ginger is also known to reduce cellulite. Stimulate circulation and tones skin.
- **Cinnamon** - Topical application of this oil helps in tightening of the skin. Cinnamon essential oil is full of volatile compounds that help in detoxifying the body
- **Grape Seed Oil** - Grape seed oil has the ability to improve blood circulation & decreases swelling. Has a moisturizing yet gentle effect, while also providing proper traction necessary for the therapist to effectively move tissue during massage.
- **Coconut Oil** - Massage with coconut oil can soothe and relax tight muscles in your body.
