

*The AHA Foot Exfoliant forms part of the Elim MediHeel Pedicure System. A combination of Glycolic & Lactic Acids that peels & exfoliate with natural Jojoba Oil Beads and Cellulose. The formula is packed with hydration actives, leaving feet and lower legs soft and smooth in appearance.*

### WHAT MAKES ME DIFFERENT?

The AHA Foot Exfoliator was designed not using traditional sugar or salt scrubs but rather using a peel technology with the AHA's. Natural Jojoba Oil Beads create a pleasurable sensation on the skin.

### HOW DO YOU APPLY ME?

Apply to damp skin in circular motions, massaging it into the skin. Rinse off with lukewarm water. Apply Elim Foot Perfector for a perfect polished finish.

### WHAT ARE MY ACTIVES AND BENEFITS?

- **Lactic Acid** for treating fine lines.
- **Shea Butter** is considered a super food for the skin and also restores elasticity.
- **Glycolic Acid** reacts with the top layer of the skin, breaking it down by dissolving sebum and other substances that bind cells together, leaving behind smoother, healthier feet.
- **Lanolin** works by creating a barrier on the surface of the skin to help prevent water from evaporating.
- **Sweet Almond Oil** is a potent antioxidant. The oil is especially rich in proteins, and can provide the amino acids required for the formation of collagen.

### HOW MANY TREATMENTS DO I GET FROM EACH PRODUCT?

#### Professional Usage:

- 5ml for both heels.
- Professional size contains enough product for up to 100 applications.

#### Retail Usage:

- 5ml for both heels.
- Retail size contains enough product for up to 30 applications.

# Alpha Hydroxy Acid Foot Exfoliant

### I AM AVAILABLE IN THESE SIZES

- Professional - 500ml (16.09 fl.oz)
- Retail - 150ml ( 5.07 fl.oz)

### INGREDIENTS

Aqua, Lactic Acid, Helianthus Anuus, Glycerin, Stearic Acid, Cetyl Alcohol, Persia Gratissima (Avocado Oil), Salicylic Acid, Aloe Barbadensis, Hydrolyzed Oat Protein, Vit E Acetate, Dimethicone, Sopropyl Myrestate, Poly Ethylene, Glycol, Poly Ethylene Homopolymers, Cyclomethicone, Triethanolomine, Vit E Tocopherol, Retinol, Citric Acid, D Panthenol, Allantoin, Dmdm Hydantoin, Urea.

### NEW IDEAS

- Use on arms or buttocks for deep exfoliation during summer months.
- Combine the AHA and the Ultramud together and massage to save time.
- Rinse with a cloth or sponge to ensure all granules are cleared from the skin.
